

'Hooked on Hockey' Junior Skills Award

www.phdg.org.uk

The Plymouth Hockey Development Group is pleased to launch its exciting new junior development programme under its new development brand name **"Hooked on Hockey"**

In order to access the new junior skills awards scheme open to any primary school or junior club you will need to purchase the **Junior Skills Challenge Pack** which costs £20.

The **Hooked on Hockey Junior Skills Challenge** pack includes **five skills cards** which are easy to read and use by staff, coaches or children, showing all equipment needed, how to set up each practice, teach and progress each skill. A **DVD is included** which demonstrates each of the skills and activities along with a range of progressions.

The pack also includes further details on the scheme including a **score card** and order forms for additional resources and certificates.

Certificate Voucher - when you purchase a pack you will receive a voucher for 50 certificates which you can send to us to claim the certificates and discount vouchers for your pupils. Once you have used this voucher you can use the order form in your pack to purchase more certificates which cost £0.25pm each.

As a reward for completing all 5 skills challenges each pupil will either be rewarded a bronze, silver or gold certificate and a 10% discount voucher to use in Tony Pryce sports. The cost of the pack is £20, however there are a number of different options which can be undertaken to deliver the Hooked on hockey skills award scheme. A coach can be added to help deliver the Hooked on Hockey skills award at an additional cost. A full price list can be found on the reverse of this leaflet.

To find out more information about the award scheme please contact the group on the given email address or phone number, in the bottom left corner of this leaflet. To obtain a Hooked on Hockey pack please complete the order form below.
