

INDOOR HOCKEY

2007

GET YOUR CLUB BACK ON THE INDOOR SCENE

There is now an “indoor season” from DEC-JAN each year and indoor hockey needs to and will become an increasingly important part of the game in England

Responding to this initiative the West is extending the Men’s West Cup to include regional qualifiers and finals day over three weekends. It is hoped that this format can be extended to the ladies event in future years.

Men’s clubs playing in the English Hockey Indoor League can play in the qualifiers but will not be eligible for the finals.

DETAILS

MENS’S QUALIFIERS: SUNDAY 2nd DEC & SUNDAY 9th DEC 2007

SOUTH - MARJON, PLYMOUTH

NORTH - UNIVERSITY OF BATH

FINALS - EXETER UNIVERSITY

- LADIES SATURDAY 15TH DEC 07
- MEN’S SUNDAY 16TH DEC 07

Even if you club has little or no indoor experience, please do give this a try. It is a great opportunity to get your younger players involved in something new.
